Overview of FPHE's 2011 Grant Awards

On May 23, 2011 FPHE awarded \$40,000 to support educational activities in Pleasant Hill public schools. The grants represent a significant contribution of funds to enhance educational opportunities for Pleasant Hill students while our schools simultaneously combat ongoing education spending cuts. The total of this year's awards is \$10,000 more than what FPHE awarded in 2010. Since 2009, FPHE has awarded 96 grants to Pleasant Hill public schools, totaling \$85,000.

This year, the Foundation received 70 grant requests and awarded 45 grants to the 11 public schools in Pleasant Hill. Every school that requested a grant received one. FPHE grants are awarded based on a combination of criteria, including the number of students impacted and the contribution to or support of language arts, math, science, or other key curriculum areas. This year, grant awards went to kindergarten through high school programs for the purchase of literature and research books, math programs, history programs, interactive science programs and materials, music and art programs, and computer hardware and software for use with academic programs. A detailed list can be found below.

FPHE thanks and applauds this year's contributors for placing a high priority on local education and realizing that strong schools benefit the entire community.

FPHE Receives Corporate Donation

On July 16, 2011 Ross Stores, Inc., celebrated the Grand Opening of their 1,000th Ross Dress for Less store in North Pleasant Hill at the Pleasant Hill Shopping Center (near Target). In honor of their commitment to the Pleasant Hill community Gary Cribb, Executive Vice President, Ross Stores and Loss Prevention, announced that Ross Stores would make a \$5,000 donation to FPHE and a \$5,000 donation to the Martinez Boys & Girls Club. The recommendation for the donation came from Pleasant Hill Mayor David Durant, who holds FPHE close to his heart.

FPHE greatly appreciates this very generous donation and David Durant's recommendation for the donation.

Box Tops Aid Schools

You can help schools throughout the year by clipping the Box Tops for Education labels on General Mills products and delivering them to the elementary school in your neighborhood. Our local schools redeem them for cash which they use for various projects.

Look for the labels on the following General Mills product lines:

- General Mills
- Betty Crocker
- Pillsbury
- Juicy Juice
- Ziplock
- Kleenex

For more information, please call the school you'd like to help.
